Building Successful Futures

RESPECTFUL · RESILIENT · RESOURCEFUL · ASPIRATIONAL

## Our Bursaries and Scholarships

Victoria College has been aiming high for Jersey students since it opened in 1852. The original mission was to 'provide the best opportunities for bright boys of Jersey who would otherwise not be known outside their parish'.

Our ethos is still the same. If you are motivated to come to Victoria College, keen to work hard and contribute to the school then we will welcome you. That includes helping with the fees, if necessary, through our means-tested bursary schemes. This booklet explains how to apply.

We have a strong record of producing young men who excel; our past pupils become business leaders, politicians, top sportsmen and innovators in all sectors and whatever path you choose in life, we can help you build a successful future.

We are known for our consistently excellent GCSE and A Level results but they are just part of the story. Past pupils tell us Victoria College offers something unique. The academic excellence, camaraderie and our traditions give students skills and a strong sense of belonging that lasts long after they have moved out into the world.

Your son will find a stimulating, friendly and supportive environment where he can study to the highest level. Outside the classroom, he can explore and expand his talents in many other areas. Our combination of outstanding teaching and broad range of activities will help him build a successful, inspiring future.

Your next step is to come and visit the school so please get in touch.

Victoria College aims to nurture respectful, resourceful and resilient young men and help them develop the skills, attitudes and values to be successful and make a positive contribution to society.

# Student perspective

'For the past seven years I have been granted the incredible opportunity of attending Victoria College after being awarded a scholarship via the Dome Charitable Trust – an opportunity which would otherwise be unavailable to me. This is a brilliant scheme that truly helps young men who may otherwise not be able to attend the school. Victoria College has encouraged me to pursue my interests and supported my decisions, something I greatly appreciate. I believe it has allowed me to fulfil my potential, academically as well as personally.'

Sixth Form student

## Exam results

### GCSE results 2021

It was a pleasure to celebrate with our talented group of GCSE students on their excellent grades. With a third of all results at the highest level, grades 8 and 9 and over 50% of all grades at levels 7-9, our boys have maintained the high-quality results of their predecessors.

Retiring Headmaster Alun Watkins commented: "All of this has been achieved in the most trying of circumstances. Commencing their GCSE journey two years ago, this group of students have faced a series of unbelievable challenges and these tremendous results are a deserved reward for their hard work, resilience and tenacity.

The breadth of education – academic, pastoral and co-curricular – that we offer at Victoria College has been sustained throughout and enabled our boys to remain focused, active and confident, in spite of the challenges presented. With many of this cohort now moving on to the Sixth Form, we look forward to their continued growth and development, and further success in the future. We are immensely proud of all their achievements."

### A Level results 2021

In 2021, a total of 83 students achieved a 100% pass rate at A Level, with 93.3% being A\*-C grade.

Head of Sixth Form, Mr Alan Falle said, "I cannot speak highly enough of the efforts and endeavours of this year group. Supported by their teachers and their parents, they have overcome unprecedented barriers throughout their time in the Sixth Form, and thoroughly deserve these outstanding results. In the most challenging of circumstances, they have modelled to others the resilience and determination that is required of A-Level students. We wish the boys the best of luck for the future as they move on to pastures new, and hope that they will return to us in the future, as old Victorians, let us know how they are getting on."

Headteacher Dr Gareth Hughes commented, "As I start my tenure leading Victoria College for the 2021-22 academic year, I would like to share my congratulations to all the students on their excellent results this summer. For those leaving our community, I thank you for your contributions to our College and wish you all the very best for the future. For those that will be Victoria College students this year, I hope you will see the achievements of the 2020-21 cohort as an inspiration to you in the year ahead, as you all seek to be the very best you can be.

# Scholarships and bursaries

Victoria College is a States fee-paying school and is £2,320 per term / £6,960 per academic year from September 2022 and Victoria College Preparatory is £2,286 / £6,858 per academic term. We aim to offer an education to all talented young men in Jersey so if financing might affect your ability to attend then please get in touch.

A number of **means-tested** bursaries and scholarships are available to help your family pay all or part of the school fees if your household income is under £60,000. Please note that the amount of support that can be offered will vary the closer your income is to this figure. Your query will always be treated in the strictest confidence.

## How to join us

If you are not already a student here, we recommend you come and visit Victoria College to see the facilities and talk to the staff and students. We can arrange a personal visit just for you or you can come along to an Open Day in November or March.

## Your next steps

- You can find more information on our school website: [www.victoriacollege.je](http://www.victoriacollege.je)
- If you're interested in registering a place for your son, contact Isabelle Cunningham: [admissions@vcj.sch.je](mailto:admissions@vcj.sch.je)
- To apply for a bursary, contact Katya Petty [hmsecretary@vcj.sch.je](mailto:hmsecretary@vcj.sch.je)
- For information on joining us in the Sixth Form, contact Alan Falle: [a.falle@vcj.sch.je](mailto:a.falle@vcj.sch.je)

## Appendix

### THE HOWARD LEOPOLD DAVIS SCHOLARSHIP TRUST

#### CRITERIA FOR STUDENTS TO BE CONSIDERED FOR AN AWARD FROM THE HOWARD LEOPOLD DAVIS SCHOLARSHIP TRUST

To be published to all of the Island's Primary Schools and through the Department for Children, Young People, Education and Skills and the receiving schools, Jersey College for Girls and Victoria College.

**1. BIRTH**

The candidate is Jersey born or has at least one parent who is Jersey born.

**2. PRIMARY EDUCATION**

The candidate has attended a local Primary School for not less than two (2) years.

**3. ACADEMIC ABILITY**

The candidate has the academic ability to be awarded a place at either Jersey College for Girls or Victoria College either by success in the entrance examination or, for pupils attending Jersey College Prep. (JCP) or Victoria College Prep. (VCP), the certification by the respective Prep. Headteacher that they will meet the academic requirements of the College.

**4. FINANCIAL NEED**

The core purpose of the Howard Leopold Davis Scholarship Trust is that there should be no economic bar to an education at either Jersey College for Girls or Victoria College for a qualifying candidate whose family has neither the gross income nor substantial assets that would provide for their fees to be met by the family. The candidate's family income and assets are assessed using the application form currently in use and as revised from time to time and approved by the Trustees, to ensure this criterion is met.

**5. DISPOSITIONS AND WORK ETHIC**

The candidate has demonstrated during their Primary School in the widest range of activities that she/he has the dispositions and work ethic to benefit from an education at either Jersey College for Girls or Victoria College; this is to indicate that they would benefit from the College's academic offer and enrichment opportunities, including sport, music, culture, volunteering, environmental work and the CCF. This criterion is assessed through the personal reference provided by the Headteacher of the candidate's current Primary School.

**6. FAMILY SUPPORT**

The candidate has the support of their family in gaining the benefits of an education at either Jersey College for Girls or Victoria College. This criterion is assessed in the commitment of the parents, carers or guardians in completing and signing the application form.

NOTE: Trustees may make FULL or PARTIAL awards. The decision to award any scholarship is entirely at the discretion of the Trustees.
