

17<sup>th</sup> October 2011

Dear Sartorius Parent,

Over the last couple of weeks Sartorius pupils have been involved in a competition to design a house T-shirt that we would sell to raise money for our charity; Sight Savers International ([www.sightsavers.org](http://www.sightsavers.org)).

The competition involved selecting a logo and a slogan that would reflect the strength of our House. The boys then voted for their favourite and the result is the T-shirt design overleaf. This is very much a project that was driven by the pupils themselves, so I hope that you will support the venture. As a result I am pleased to offer this T-shirt to all Sartorius pupils as well as to Sartorius OVs (a good Christmas present for a dad, grandad or uncle?).

The cost of the T-shirt is £25. It is a sublimated T-shirt made of technical wicking fabric. It is hoped that the T-shirt will be worn all House events such as House Music, Drama, Charity, as well as for the many sports in the Blomfield Trophy, as a sign of House unity and strength. Please note, the T-shirt must not be worn in PE lessons as a replacement for the red polo shirt that constitutes the official VCJ PE kit.

Please complete and return the attached form to form tutors, with a cheque for £25 payable to "Victoria College School Fund", by Monday 31st October.

If you have any queries regarding the purchase of this charity T-shirt or would like to see the final design, please don't hesitate to contact me at College or on [a.murfin@vcj.sch.je](mailto:a.murfin@vcj.sch.je).

Best regards

*Mr A. J. Murfin*

Senior Teacher: Co-Curriculum & Sartorius Housemaster
