

Year 9

January 2012

Dear Parent

Year 9 Options

Students in Year 9 follow a careers programme during tutor time from the beginning of January until the end of March in order to assist them with their decisions regarding which subjects they should study in Years 10 & 11. I have enclosed with this letter an options booklet with details on each of the subjects that are available and information on how to complete the options form. This form should be returned to Mrs Job by Friday 2nd March.

Mrs Job (Sixth Form and Careers Officer) and Mrs Taylor (Assistant Head – Academic) will be available at the subject evening on 22nd February to answer any queries you may have with regards to option choices. They will also have available a copy of the Careers programme that the students have been following. Should you or your son wish to have an informal discussion before this then please call Mrs Job on 638266 and she can arrange an appointment with either the Director of Studies or if it is more specialised with Mr Hamel Head of Careers.

Yours sincerely

Mr Alun Watkins
Headmaster
