

Dear Parent,

As I am sure you are aware, your son is representing his House by participating in House Music on **Wednesday 8th February**. He will be remaining at school until 20:00 so will need some sustenance to keep him going. We will be organising a pizza delivery from Dominoes for 17:10 after our dress rehearsals which take place between 15:30 and 17:10.

If you would like me to order your son a pizza, please indicate which pizza he would like below and return this slip with either a cheque for £10, £10 in cash, or confirmation that you have paid £10 via BACS by **Monday 6th February**. Please note that any change will be donated to the House Charities.

Alternatively, you can provide your son with a packed lunch.

For those competing on Thursday, there is no requirement for boys to stay between the end of the school day and the start of the event as there will be no rehearsals taking place. These boys can therefore eat at home or, if these choose to stay, bring a packed lunch.

We hope to see you on the evening.

Kind Regards

Heads of House
