

Friday 30th July

Dear Parent / Guardian

Our annual College Sports Day is on Thursday 13th July and I have attached the running order to this email. Parents are welcome to come and watch the day. We have designated the red stand adjacent to the finish line for any parents that wish to support.

All students competing in Sports Day will be transported down to FB Fields by bus after P1. Your son will be dismissed from FB Fields at the conclusion of Sports Day. If you would like your son to return to school after sports day you must sign up for a return bus using the form attached here **no later than Friday, 7th July:** <https://forms.office.com/e/WRzReCNnJP>

If you are collecting your son, please do not arrive any earlier than 3.30pm to ease congestion in the Car Park.

Once at FB Fields, your son cannot leave until the event has finished. He will therefore need to bring a packed lunch and plenty of water with him. We have hired a Jersey water tank in order for boys to refill their water bottles. Please can you also ensure that your son brings sunscreen and a hat. We will endeavour to remind them to apply/wear sun protection but they should remain vigilant to their own needs.

The students must arrive at school in their PE Kit for sports day (House polo top, white shorts, white socks and trainers) so that they do not need to change throughout the day.

Kind Regards

Mr Habin
Director of Sport
