

Dear Parents and Carers,

I am delighted to announce that bookings are now open for 'Prepare 2026'. Prepare is an annual programme of revision sessions which is taking place from Monday 13th to Friday 17th April 2026, hosted at JCG.

Each Prepare session is 3 hours long, delivered by high quality teachers from schools across the island who have experience in preparing students for external exams. Here are some key features of Prepare sessions:

- 3 Hour session includes time for deep coverage of relevant content
- Students are supported to practise answering exam-style questions and receive immediate feedback
- Revision takes place in a managed environment with no distractions and guaranteed small group sizes (2025 average was 9 students per session)
- Prepare sessions are open to students from all schools, so students can compare ideas and revision strategies outside their existing circle of friends

Based on survey feedback from students and parents who attended Prepare 2025 it is clear that students:

- Felt that they worked more productively during Prepare sessions than at home
- Felt more confident after attending Prepare sessions
- Felt better equipped to do subsequent revision independently
- Felt less anxious about exams, and felt able to relax in the evenings because they had achieved something by completing Prepare sessions during the day

To see which sessions are available please use the links below, there are discounts available for early-bird bookings and multiple purchases. There is also a voucher system available in case relatives wish to give the gift of structured revision this Christmas!
