## Fundraising for the VC Foundation

We're raising funds for the VC Foundation and celebrating 171 years since the founding of Victoria College. Your donation will help to:

- Widen access to education offered by Victoria College, through the provision of bursaries. Removing financial barriers to a world class education.
- Provide financial support for the enhancement of the educational and developmental experience on offer to students.

**More information on the Victoria College Foundation can be found on the school website.**
