

Dear Parent,

### 10 to Sixth Day Feedback

Following our recent 10 to Sixth Day event, I am seeking feedback from students and parents so that we can improve this day for future cohorts. Whilst I hope that your son felt that the day was informative and purposeful, I am conscious that there may be things that we could improve upon. We have made significant changes since our first 10 to Sixth Day in 2019 as a result of the useful feedback we have received.

I have sent a Microsoft Form to Year 10 students via ShowMyHomework. This has been completed by most students already and has given me some food for thought. I would appreciate it if you would encourage your son to complete this form, and I would also like to invite you to complete [this form](#), which will give you the opportunity to provide feedback, too.

You will receive much more information about our Sixth Form when your son is in Year 11, to include a Sixth Form Information Evening and further information about the application process via the school newsletter. However, should you have any queries about the Sixth Form, please do get in touch ([a.falle@vcj.sch.je](mailto:a.falle@vcj.sch.je)) and I will be happy to discuss this further with you.

Yours sincerely,

Alan Falle
