CIGPE talk on the Guernsey Pool Marina Feasibility Study 24th November at Victoria College

Guernsey Ports have been mandated to investigate the feasibility of creating a marina within the Pool of St Peter Port Harbour. The study has included extensive site investigation to look at dredging possibilities and existing structures for stability, as well as ship manoeuvrability, demand studies and financial modelling. The speaker is a Civil Engineer who has experience in consulting, contracting and local government client roles.

Years 10,11,12 & 13

Careers Fair 30th November 1130 - 1330

A careers fair will take place in the Great Hall for the above year groups. There will be 20 companies and organisations attending from Finance to Construction to Physiotherapy. We do hope your son will make the most of the opportunity with his allocated slot. Please see here a link to view who will be in attendance and ask your son to do a little research on the stands he would like to go to: [Booklet on companies attending](#)

Years 12

IOD Future Leadership programme – 23rd Nov launch

Year 12 will receive an assembly on the IOD Future Leaders Scheme on 23rd Nov, which is a work experience scheme sponsored by KPMG. It allows year 12 students to spend one week 'shadowing' a Director or a Senior Manager working across a number of sectors in the Island. This year our students shadowed Hospital Directors, the JCRA Director, The Chief Economic Advisor and a Director from KPMG. If your son would like to take part CV's need to be sent to Ceri Powell: email ceri@lv.care.

Year 12

Year 12 have all been undertaking a mock interview with careers contacts in industry. These interviews are carried out by companies who have helped Victoria College for many years. This opportunity provides the students with having to construct a CV and a cover email which are both sent out before the interview takes place. This gives the students a real-life scenario of how to find where the interview will be taking place, they will meet unfamiliar interviewers and receive feedback on their CV and interview.

Years 8 – 13

InvestIn

Career Opportunities for students Ages 12 – 18. Available in 20+ industries: in-person at UCL or live online – go to the InvestIn website to find out more InvestIn.org.

Students will learn directly from some of the UK's best professionals – doctors, forensic scientists, architects, MPs, filmmakers, engineers and more – through a series of live, interactive simulations which provide tailor-made, professional experience to ages 12 – 18.

If you sign up as a Victoria College student, you do qualify for a 10% discount by quoting this reference: Victoria20

HMC GAP YEAR SCHOLARSHIPS

The Bulkeley-Evans HMC Scholarship Fund

www.gap-year-the-bulkeley-evans.co.uk

Administrator: Neil Mason 24 Saxon Close, Oake, Taunton, Somerset TA4 1JA.

01823 461426/07960983571 neil.mason@tauntonschool.co.uk/neil.mason1955@gmail.com

Applications are invited by 31st May 2022 by email (or post, if preferred) for these prestigious awards from boys and girls from HMC schools for gap year projects for 2022-2023. The Trustees have agreed that up to 30 scholarships may be awarded of between £200 and £800.

Candidates need to fulfill the following criteria and applications must follow headings listed on the website:

1. **The benefit to the community of the country/countries where work is undertaken during the gap year project.** *The majority of awards go to boys and girls involved in projects in poorer countries or in the poorer areas of other countries.*
2. **The suitability of the organisation of the project in terms of duration and the gap organisation involved, if there is one.** *The project must be of sufficient length to give real benefit to a community. The Trustees usually expect that the project will be at least for three months unless there are special circumstances.*
3. **Financial need,** *assessed from the report from the Head, the statements in the application and the breakdown of expenses and methods of raising money in the application form.*
4. **Suitable character and promise,** *assessed from the quality of the written application and the reference of the Head of the school.*

Award winners have to write to the Administrator during their project, write a report for the Trustees at the end of their project and return to their school to talk to the Sixth Form about their experiences.

Full details can be found on the website: www.gap-year-the-bulkeley-evans.co.uk

Applicants can see the lists of previous projects that were judged to be suitable for awards.

Applications should reach the Administrator as soon as possible by email to:

neil.mason@tauntonschool.co.uk (or post if preferred to the address above), by **31st May 2022**

Year 13
