The Higher Education Fair 16 March 2023

Dear Student,

We are very happy to invite you to this year's Higher Education Fair which will be taking place on Thursday 16 March at Hautlieu School, supported by Aztec Group.

Over 35 universities and colleges will be represented from on-Island, the UK and further afield. You can find further information on even more universities on the Higher Education Fair website www.jerseyskillsshow.com/higher-education-fair

While the focus of the event is higher education, there will also be the opportunity to learn about alternative routes and general careers advice from our Careers Guidance team.

The Student Finance team will also be available for any questions about funding and grants should you or your parents want to know more about the costs associated with attending university.

What you can expect on the week of the Higher Education Fair:

- **Thursday 16 March from 3.30pm to 6pm** – Higher Education Fair at Hautlieu School
- **University talks during school time** – Schools will be selecting talks from universities and institutions to enable students to speak directly to representatives
- **Explore university/institution pages** - Information about higher education, videos, and relevant resource will be available at www.jerseyskillsshow.com/higher-education-fair

We look forward to seeing you at the Higher Education Fair on Thursday 16 March at the Hautlieu School.

Yours sincerely,
