Year 12 – IOD Future Leaders programme

This scheme is a work shadowing experience sponsored by KPMG in the Crown Dependencies, which allows Year 12 Sixth Form students to spend one week 'shadowing' a Director or Senior Manager working across a number of sectors in the Island.

As a UK recognised scheme that can be used towards UCAS applications, gaining a place on the IOD Future Leaders Scheme is prestigious and therefore places are sought after. This is more than a normal work placement, this is a chance to get a first-hand insight into the role of a leader in an organisation.

In order to apply for a placement your son will need to submit a CV and a covering email to Hannah Samson Student.Ambassador.Jersey@iod.com by 12th January.

Year 13 – Law bursaries

Many law firms are offering bursaries – they are primarily designed for students who are either studying law or about to embark on a professional legal qualification. In some circumstances, they will also consider undergraduates who are keen to study law at a later stage. Students should possess excellent personal and academic skills.

As well as receiving financial assistance while studying, in the form of a term-time grant, you will be offered up to eight weeks of relevant and engaging paid employment throughout the year.

Applicants should not be in receipt of any other employer funded bursary payments.

Years 11 – 13 - Architecture

Architecture doesn't really work like a lot of other careers. E.g needing all A*'s and going to Oxbridge doesn't necessarily open doors like it might in Law/Business for example. Having a famous studio name on a CV really gets you ahead.

Here is some amazing work experience available in London summer 2024. Applications open 1st November.

Work Experience

The TRSHP work experience programme runs during July and August. Students aged 14-18 years can apply to spend a week with the practice where they will be given a specific brief to work to and gain an understanding of the various stages of the design process. The final product is a model and coloured sketches. To find out more go to this link <https://rshp.com/practice/careers/>

To apply for Summer 2024 please submit a CV and cover letter to workexp@rshp.com after 1st November 2023.

Experiences can really motivate and inspire you to consider a range of pathways and provide that inspiration needed for the personal statement! Springpod have a vast range of programmes in many different fields, such as STEM, Healthcare and even Real Estate. These courses can be completed flexibly around your studies, making balancing the workload with other commitments nice and easy.
