

Dear parent,

Re. Moped/Motorbike Registrations

As you may be aware, students are granted the privilege of parking their mopeds/motorbikes on school property alongside Le Brocq and the Drama Studio. Whilst using the school premises for parking their mopeds/motorbikes, we ask that boys adhere to basic expectations including, but not limited to, the below.

- Students are not permitted to use their vehicle to leave school premises during the school day, except for Sixth Form students who are able to leave the school site at lunchtime between 13.05 and 14.00
- Students are not permitted to ride their vehicle inside of the school gates, so to protect other pupils and staff members. This can be ensured by;
 - Dismounting at the gate upon arrival
 - Walking their vehicles to the gate upon departure
 - Only mounting their vehicle once they are at the gate
- Ride safely to and from school, adhering to road traffic laws

Where students fail to meet these basic expectations, we will remove the privilege of being able to park their mopeds/bikes on school property. Continued failure to meet expectations will result in further sanctions.

For safeguarding purposes, we are asking students to provide us with the registration plate of their moped/bike should they wish to park on site. This will enable us to ensure that only Victoria College students are using these parking spaces and will also help to identify students quickly should we need to. Should your son wish to use our on-site parking, please could I ask that you e-mail me (a.falle@vcj.sch.je) with his name and registration plate number for our records.

Should you have any queries relating to this then please do not hesitate in contacting me.

Yours sincerely,

Alan Falle

Head of Sixth Form
