### Save the date!

**Year 3 - DT week** is coming up where the boys will be designing and making their own tipper truck using pneumatics. We have an open classroom session on Friday 8 December 10am-12pm. The boys would really benefit from parental help during this session, and it is a lovely opportunity for you to work alongside your son on their very own project. It would be great to see as many of you here as possible. If you are unable to attend due to work commitments, grandparents, aunties, uncles, or any other relatives are more than welcome to come and join in with the Year 3 fun! **Please note parking will NOT be available in the playground.**

**All Years Parent Drop-in Sessions** – parents are encouraged to be active participants in their son’s educational journey, and this is an opportunity for you to spend some time in your son’s classroom. The playground gates will be open for parents if you wish to park.

***‘We have an exciting new after school club to offer you in the spring term. Edgui are a company that specialises learning through play.
