

## Mrs Carolyn Ferguson, MIAB, CAT

Carolyn joined Victoria College as the Finance Officer in January 2000, following eleven years in that position she took the role of Finance Manager before progressing to Bursar in June 2018.

Carolyn is responsible for business planning and management of the Support Services at both Victoria College and Victoria College Preparatory. She works closely with the Board of Governors and both Headmasters planning the five-year budget plans to ensure they support the strategic aims of the schools; and manages all aspects of the College budgets. She is also a member of the Senior Leadership Team.

Carolyn attended Jersey College for Girls and gained her qualifications of International Association of Book-keepers and Certified Accounting Technician at Highlands College. In her spare time, she enjoys walking, reading, loves to travel and spend time with her grown up children. She is currently enjoying learning about garden design and the need to embrace the local wildlife as squirrels, wild rabbits, pheasants and ducks all seem to frequent her garden regularly.
