YEAR 5 - WEDNESDAY: P.E DAY THURSDAY: GAMES DAY
YEAR 6 - MONDAY: GAMES DAY

field trip

YEAR 4 GEOGRAPHY & SCIENCE TRIP

MONDAY 29 JUNE 2026

field trip

We are looking forward to our upcoming Year 4 Geography and Science trip next Monday to St Ouen's Bay and the Francis Le Sueur Centre.

During the day, the boys will take part in a range of exciting activities at the centre and explore the local flora and fauna with Kaz, supporting their learning in both Geography and Science.

Please note the following arrangements for the day:

- Boys should come to school dressed in their P.E. kit.
- They must bring a hat and should have sun cream applied before arriving at school.
- Boys may bring their swim bag instead of their usual school bag, as this will be easier to carry.

As we will be away for the entire day, there will be no hot lunch available so all boys will need:

- A packed lunch
- A healthy snack
- A bottle of water (an additional bottle of water would be very helpful)

We will return to school before the end of the school day for normal collection arrangements.

THANK YOU FOR YOUR SUPPORT -

WE ARE LOOKING FORWARD TO AN ENJOYABLE AND EDUCATIONAL DAY OUTDOORS!

Revised dates!

VCP Sports Day 2026

Heathfield Playing Fields

12:30 - 3:00pm

House & Inter-Form Events

- Junior Sports Day -Y 3/4 - **Tuesday 7 July**
- Senior Sports Day -Y 5/6 - **Wednesday 8 July**

On the morning of the event boys should come to school in black shorts, white socks, POLO SHIRT, trainers and tracksuit. Boys must bring sun hats, sun block and water.

Boys are required to bring their NAMED HOUSE SWIMMING BAGS for any kit they will have with them. Backpacks should be left at home a. Boys will eat at the bistro prior to heading up to Heathfield.

Parents are welcome to come and spectate and can bring chairs or blankets to sit on. We would recommend you take your seats by 12.20pm. There will be a marked area for parents, separate from the children.

Please note that all boys will remain with staff until the end of the event.

Parking will be made available for approximately 100 cars on Heathfield. The JCG car park will be out of action due to our finish time. For those who can, it would be a great help to us if you shared cars or even walked to Heathfield where possible.

Boys can be collected from Heathfield unless parents are unable to attend, and those boys will be walked back down to school to be collected at approximately 3.15pm.

If your son attends The Beehive, he will be walked back down to school.

Thank you ...for your ongoing support

Year 4 Global Citizenship

Dear Parents and Carers,

As part of our Year 4 Global Citizenship focus this summer term, we are delighted to be supporting ECOF (Every Child Our Future) through a special book donation project. We would like every child in Year 4 to bring in one pre-loved book that they have enjoyed reading and would like to pass on to another child. The donated books will be given to ECOF, who will share them with island children during Children's Day 2026, taking place on 12th July at Howard Davis Park.

To ensure that every recipient receives a book they can enjoy, we kindly ask that all donated books are in good condition, with:

- No rips or torn pages
- No missing pages
- No drawings, colouring or writing inside the book
- A clean and well-cared-for appearance

As part of this project, the children will spend time in school writing a short message or note for the recipient of their book. This personal touch helps to create a meaningful connection between the donor and the child receiving the book.

This event has had a wonderfully positive impact in previous years. It has been fantastic to see books being shared, enjoyed and given a new life in another child's hands. We hope that, by taking part, our pupils will develop an even greater understanding of generosity, community and the importance of literacy for all.

Please send your child's book into school by Friday 3rd July.

Kind regards,

The Year 4 Team

Thank you

for your support in helping us make this project a success.
